

**THE FRIENDS OF THE
ANNE WEST LINDSEY DISTRICT LIBRARY
2017 Membership & Donation Drive**

The **Friends of the Anne West Lindsey District Library** (“Friends”) is a non-profit organization that helps raise funds to support programs and purchase items to help provide a better library experience. In the past, with donations from local community members and businesses like you, we have helped purchase public library computers and a smartboard used to teach monthly computer classes.

This year, with your help, we hope to raise at least \$5,000 to purchase a Crayola iPad Learning Kiosk for the children’s section and to support the Summer Reading Program, which will bring in several fun and educational presenters. We also hope to collect plastic caps, which will be used to make a “Buddy Bench” to go behind the library. Learn more about these initiatives, as well as the “Friends” organization, online at www.awlindsey.com/friends.

If you would like to support these efforts and help enrich your community, please return this completed form with your donation. In addition to helping support your library, your donation will also make you a member of the Friends of the Anne West Lindsey District Library organization. **As a member, you will be eligible to shop at library book sales before they open to the public.** Dates and more information are online at www.awlindsey.com/booksales.

If you are already a “Friends” member, we sincerely thank you for your continued support! To renew your membership, please return this completed form with your donation.

Please direct questions to FriendsofAWL@gmail.com and be sure to follow us on Facebook at www.facebook.com/FriendsofAWL.
