The primary purpose of the Friends’ organization is to help support AWL Library programs and services through fundraising, volunteerism, and outreach.

Membership

Our members are the lifeblood of our organization. Through membership dues, donations, and volunteer hours, we make a difference for the library and the Tri-C community. In 2019, we had 113 members. Just imagine what we could do with 150 or 200 members! Please consider being a Friend in 2020.

You can renew or join online at awlindsey.com/friends or at the library.

Outreach & Organization

Over the past three years, we have invested our time into developing our organization. We established bylaws, signed an MOU with the library, developed board position descriptions, created web pages and online forms, developed processes, and more. All of this has provided us with a strong foundation that will support us as we grow.

We also expanded our events to include two book sales, a Spring Tea, a Friendsgiving Dinner (which we opened to all membership levels and the public this past year), and participation in community events. Our event calendar is online at awlindsey.com/friends.

This year, we are expanding our reach to those who can’t physically come to the library. We are very pleased to present our "Homebound Program", designed to get books to shut ins through Friends’ volunteers. If you would like to help deliver books or wish to sign yourself or someone else up for the program, visit awlindsey.com/homebound.
